Rental mount 15 cm

002.4600 Rental mount 15 cm for projector max. 150 kg

Our rental mounts make it quick and easy to install projectors in rental situations. At beginning of October, SmartMetals will introduce a heavy duty projector mount for installations of projectors max. 150 kg in the truss. This mount offers a tilt function of +15° until -15° and a further fine adjustment can be executed of +3° until -3°. The projector should be fitted with a projector specific bracket to the set,ask the SmartMetals team for more information. Due to mounting pattern of 100 x 100 mm, it is standard suitable the most Panasonic and Barco stack frames.
